Issue 29

February 2012

Lilleshall Abbey

The founding community was brought to Lilleshall Abbey from Dorchester Abbey in Oxfordshire and, as at Dorchester, for a time the canons followed the specific customs and daily religious observance of the important Augustinian monastery at Arrouaise in north-eastern France.

By the late 13th century, Lilleshall had become a religious house of great reputation and prestige. In all, the monastic life was maintained for almost 400 years, until the abbey was suppressed on the orders of King Henry VIII in 1538.

The surviving abbey buildings almost all date from the late 12th and early 13th centuries. Many other structures have been lost, their foundations partially recovered by archaeological excavations in the late 19th century. The central buildings stood in a much larger monastic precinct, enclosed by a stone wall and gates.

Newsletters

The Parish Council has changed the way in which future newsletters will be made available. Newsletters will still be available to view via the Parish Councils website www.ldmpc.org but will not be delivered to every household within the parish. Instead, newsletters will be placed in the library, dentists, medical centres, community halls, churches, schools, post office, Lifelong Learning Centre and the Parish Council office. Should any resident wish to have a hard copy of the newsletter then this can be obtained by contacting the Parish Clerk on 608001. It is estimated that the Parish Council will save approximately £5,000 over a year using this method.

Civic Service 4th March 2012

As Chair to this Parish Council, Councillor Mrs Pat Green would like to invite everyone to a Civic Service which is to be held at St Matthew's Church, St. Matthew's Road, Donnington on Sunday March 4th 2012 commencing at 10am. There will be light refreshments at the Lifelong Learning Centre after the service.

Local Schools

The Parish Council would like to congratulate all the pupils, head teacher and staff at Lilleshall and Muxton Primary Schools in achieving 1st and 2nd place respectively in the latest Statutory Assessment Tests (SATs) for the Borough of Telford & Wrekin as well as Donnington Wood Infants School for receiving the Most Improved Persistent Absence Trophy as it has considerably reduced the number of children being absent from school.

Finance Scrutiny Committee

This Parish Council has recently set up a Finance Scrutiny Committee to examine all aspects of the Parish Council's finances, assets and future financial planning.

Christmas Festival 2011

The first ever Christmas Festival held by this Parish Council to celebrate the switching on of its Christmas lights was an outstanding success. The Parish Council

would like to thank everyone that attended and participated in making the event the success it was. The event was opened by the Chair, Councillor Mrs Pat Green, and Mr George Whyte who was recently awarded the Freedom of The Borough by Telford & Wrekin Council. It is planned to hold the event again this year.

The Christmas Festival helped raise £100.65 which went to the Chair's Charity: the Severn Hospice Telford.

Allotments

Donnington allotments have finally opened and plot holders have already begun work on their plots. Some members joined those from Lilleshall allotments at a Christmas Party held at Lilleshall Memorial Hall on 17th December 2011.

Pensioners Vouchers

Christmas 2011 saw this Parish Council give out 964 £5 Christmas Vouchers to pensioners who were 65 years of age and over reside within the parish.

Talbot Centre Tennis Courts

Floodlights have now been installed at the tennis courts in Lilleshall. An opening ceremony was held on 23rd February 2012 to celebrate this event. Thanks must go to Lilleshall Village Tennis Club for raising the funds to purchase and install them.

Grit Bins, Muxton

Grit bins have been purchased and installed at strategic locations around Muxton funded by Telford & Wrekin Council's "Your Money, Your Projects" Scheme.

Grants Awarded

At a recent Council meeting this Parish Council awarded grants totalling £2,050 to the following organisations, groups and clubs:

Teague's Bridge Pre-school
Telford Sea Cadets
Lilleshall Primary School
Fields Friendship Club
Kids Krazy Club

Telford Green Gym at work: Hedgelaying along Newport Canal

Telford Green Gym is offering people the opportunity to join them to have a go at the traditional craft of hedgelaying.

Throughout March Telford Green Gym volunteers will be working in the Newport area. They will be spending the month hedgelaying along a section of the canal close to Bromfield Place. They will be offering an open day in which people can go along for the day to have a taster session of hedgelaying: this will be on Tuesday 27th March and on Wednesday 28th March the group will be going on a walk around the local area.

These activities are open to anyone over 18.

Telford Green Gym is a health and well-being project funded by the NHS on licence from BTCV, the conservation charity.

It offers people an alternative way to improve their health and well-being by getting involved in practical gardening, conservation and environmental activities.

It operates on Tuesdays, Wednesdays and Thursdays at sites across Telford and Wrekin and local people are welcome to join as volunteers.

Hedges are an important and well-loved feature of the British countryside, as well as being a valuable wildlife habitat. Neglect, rather than removal, is now the greatest threat to hedgerows, and many hedges need laying to encourage new growth from the base.

Hedgelaying requires skill and patience. It is always done during the winter months. It involves clearing away dead and overgrown brash from around the base of the hedge and up to approximately head height. Once this has been done then the stems of the remaining trees are cut part way through: this is known as pleaching. Once a pleacher has been cut the tree is bent over and laid down upon the previous tree. Hazel stakes placed within the hedge help stabilise it. The finishing touches are added in the form of hazel binders woven along the top of the hedge to add yet more stability. Any new shoots from the laid pleachers will grow up towards the light and help the hedge to bush out.

If you want more information about the hedgelaying open day or the local walk then please contact Cliff Hallam on 07966 621 369 or Emma Walton on 07814 218 937

If you are interested in volunteering with Telford Green Gym then please contact:

AGE UK – VOLUNTEERS NEEDED !

Age UK are looking for Volunteers to help run our day centres, which are a valuable resource for our elderly community.

We have 15 day centres spread across Telford and the sessions are held on a weekly basis. The members enjoy a social time with refreshments and a hot lunch and transport is also provided to and from the venues.

At present we would very much welcome people who would like to commit to volunteering for the weekly sessions and to help with the general running of the centre.

For more details please contact Lois Clifford on 01952 201803.

British Red Cross

...are recruiting volunteers in the Telford & Wrekin area to help people remain independent in their own homes following an illness, accident or a stay in hospital.

Our volunteers help with shopping, collecting prescriptions, transport to medical appointments, light housework or simply popping in for a cup of tea and a chat.

Some volunteers give their time on a regular basis. Others help out occasionally whenever they can.

Whatever you choose to do depends entirely on you and how much time you have to spare.

If you are caring and enjoy meeting people why not join us in helping others. You will be making a real difference to someone's life.

For more information please contact the Support at Home team on 01952 209 840.

Quarterly Estate Walkabouts

The Wrekin Housing Trust

The Wrekin Housing Trust has introduced a series of Estate Walkabouts every three months in response to tenant suggestions that regular inspections of their estates are carried out.

Everyone is welcome to get involved in the Walkabouts and residents can attend as many or as few as suits their commitments.

Walkabouts allow Trust officers and residents to work together to identify areas of concern that we are able to resolve, such as general external repairs and identify tenancy related issues, which need attention.

The Trust will also be working closely with other agencies in the area to address issues such as litter, graffiti, vandalism, abandoned vehicles, road and pavement improvements and lighting.

The Donnington walkabouts are currently well attended by our partner agencies, for example, the Local Policing team, and we would welcome support from residents. Residents who come out on the walkabouts will be 'rewarded' with coffee and biscuits after the walkabouts at the Trust office as a thank you for their time and effort.

If anyone wishes to find out more about the routes we take or to confirm their attendance at any of the walkabouts then please contact the Donnington Team on 217390.

The next round of walkabouts is as follows:

Donnington west: Wednesday 25th April 2pm. Meeting at Winifreds Drive/Leonard Close.

Donnington Wood: Wednesday 2nd May at 2pm. Meeting at the front of the Life Long Learning Centre. To Visit: Barn Close, Waxhill Close, Penistone Close, Ash Lea Drive, St Matthews Rd, The Common, The Glebelands, Queens Road & Hayward Avenue.

Donnington east: Wednesday 9th May at 2pm. Meeting at junction of Hayward Avenue/New Road.

Monarch Fields and Lioncourt Homes: Wednesday 16th May at 10am. Meeting at the Play Area at the centre of Monarch Fields. To include Station Road, Highlander Drive and Dukes View.

Donnington and Trench Learners Trust

Donnington and Trench Learners Trust is the charitable arm of Sutherland Business and Enterprise College. It was set up in 2009 and with support from Fairshare, the Community Foundation for Shropshire and Telford, the Trust has appointed a Development Officer.

The Trust aims to raise aspirations and generate opportunities for local children and their families. The Trust has organised a range of activities including a Festival of Learning at Enginuity in Ironbridge, football coaching sessions run in partnership with AFC Telford United and motivational sessions with boxer, Richie Woodhall. The Trust has also supported a wide range of local initiatives including the Parish Council Christmas Festival, a Social Enterprise Roadshow and the new skatepark in Donnington.

The football coaching has been very successful and Sutherland is delighted to be hosting football coaching sessions and organising them through the Learners Trust for the local children and young people at local primary schools. All the children involved have enjoyed taking part and more sessions are starting soon. The programmes are run by AFC Telford manager and former England international, Andy Sinton, along with first team coach, John Psaras. The sessions have a focus on football but also encourage the children and young people involved to develop skills that will help them throughout life.

Coaching sessions also run every week at Sutherland and students involved are following the co-operative value of self help to raise money to enable the coaching to run throughout the year. The school is supporting the scheme financially and helping the students to raise their own funds.

Summer Festival

The Trust is currently working with a range of different groups to put together a summer festival which will take place on Saturday 30 June at Sutherland Business and Enterprise College. The event is free and will include lots of fun activities as well as performances from local school children, taster activities for adults and stalls and sideshows. If you would like to get involved with DFEST or have a stall at the event, please contact Diane Morris on 07973 454591 or by email at diane.morris@taw.org.uk.

Sign Up to the Trust!

The Trust is keen to work with all members of the local community and has opportunities for local people, local businesses and community groups. We have successfully applied for funds for a number of projects and are willing to work with any group who support our aims and objectives. If you would like more information, please contact Diane Morris on 07973 454591 or by email at diane.morris@taw.org.uk.

Social Enterprise Roadshow

Sutherland Business and Enterprise College is committed to promoting the skills, attitudes and qualities of enterprise to all members of its community. To celebrate Enterprise Week, staff and students offered all local primary schools the chance to take part in a workshop to produce items that they could sell at their own school fayres.

The Roadshow visited Year 4 and Year 5 pupils in St Matthew's CoE Primary School, St Luke's Catholic Primary School and Donnington Wood CE Junior School and over 90 children took part along with a team of ten students from Sutherland.

Year 9 Sutherland student, Rebecca White, commented, "We had a great time doing these workshops. The children were brilliant and it was a good experience for us too. I learned a lot of new skills in actually preparing the materials and then making the gift cards as well as supporting the children in the sessions."

School charity fundraising set to reach £1200

Students at Sutherland Business and Enterprise College in Trench have raised almost £1200 for charity since the launch of their House System last year.

Sutherland is sponsored by The Midcounties Co-operative and has adopted co-operative principles to support learning in all areas of school life. Each house has five guilds who work together and, whilst working out ways to raise funds for charity is a key feature of the school's regular guild days, some groups also take part in a range of community activities including a recent litter pick around Trench and Donnington. The Guild Days encourage students to work together and do something which makes a difference to others and makes a positive contribution.

Student groups choose their own charities and this year they are supporting Cancer Research, Help Harry Help Others, Help for Heroes, The Layla Jane Pitt Foundation and the NSPCC.

Headteacher, Steve Wall, said, "We are very proud of the ways the students have developed ways of working together to raise funds for worthwhile causes. They choose their own charities democratically and are really motivated to help others and as well as the guild days, they hold cake sales and attend local events to maximise their contribution."

Student groups are also involved in planning the Summer Festival, DFEST, taking place on 30 June. They are hoping to boost their charitable fundraising as well as learning about event management.

Donnington Skate Park

Shropshire's newest and best skatepark is now open! And it's in Donnington (Donnington Recreation Ground, School Road, Donnington)!

Featuring Shropshire's only freeflow skate bowl, the new skatepark contains a 1.2m Quarter pipe with 1.8m tombstone, flat bank, wedge bank, hubba ledge and handrail, pole jam, grind block, double set stair set and Shropshire's only concrete bowl (2m deep with clam shell and 2 hips).

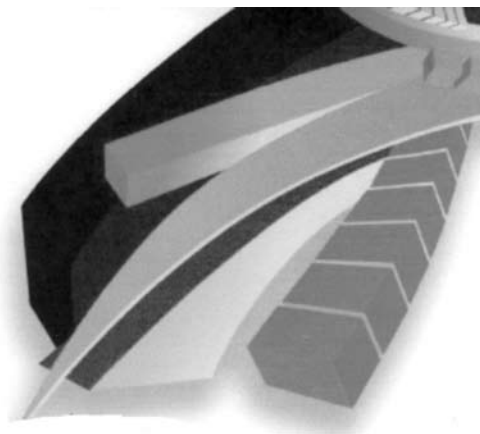

The new skate park is attracting pro skaters / riders from across the country. If you want to have a go at skateboarding, in-line skating, BMX freestyle or scootering this is the place to be (spectators welcome)! Funding for a number of events throughout the year has been secured by Donnington Partnership from Fairshare. A programme of free community events (usually Saturdays 1pm-4pm) has been organised and will contain coaching for different sports on the skatepark and some community activities (such as gladiators / face painting / sumo etc). Helmets are compulsory in the skatepark in these events. A big event on Saturday 16th June will see lots of free activities all on the same day as a skate / BMX competition. See you there!

March 17th (Saturday 1-4pm) April 14th (Saturday 1-4pm)
May 19th (Saturday 1-4pm)

June 16th Big Launch day Saturday 11am - 4pm
(a variety of stuff for all ages)

For more details of individual event activities contact Derek Owen on 01952 382323 or pick up a leaflet at the Parish Council.

Sports Charity looking for applications from Shropshire based projects

sported., a charity founded by Deputy Chair of LOCOG Sir Keith Mills, is now offering services across the majority of the West Midlands and is looking for organisations in Shropshire who require support and funding.

The charity offers services to groups, clubs, organisations and social enterprises delivering Sports for Development projects, which use sport to have a positive community or social impact. Applicants have to be engaging with young people aged 11 – 25 and working within disadvantaged communities.

Included in the services offered by **sported.** is capacity building support and a linked main grants programme. Successful applicants receive hands on capacity building support delivered by experienced volunteer business mentors, who have a range of corporate and voluntary sector experience, and have access to the main grants programme with an average grant of £7,000. The aim of the funding and support provided is to improve the sustainability of the organisation as well as assisting in making the service they provide more professional. Examples of support include the areas of Business Planning, Fundraising, Marketing, Volunteer Management, Budget Planning and many other areas.

The additional services are also offered exclusively to **sported.** members:

- Online Resources and Factsheets
- Small Grants Programme (up to £2,000)
- Experts Team
- Regional Training
- Regional and National Conferences/Events

To apply for support and become a member, complete the expression of interest form on the **sported.** website <http://www.sported.org.uk/join-us/application-form>. Note there is no cost involved in being a member.

Further information is available on the **sported.** website at: www.sported.org.uk/your-region/westmidlands or through contacting John Ellery, West Midlands Regional Manager on Tel: 0790 1339 336 or Email: j.ellery@sported.org.uk.

Supported by PODS (Parents Opening Doors) who are an independent parent forum who have great links with health, social care, education and Telford & Wrekin Council

Made possible with funding provided via Community Foundation of Shropshire, Fairshare Lottery Scheme.

Parents Openings Doors

PODS are proud to support Donnington Parents in setting up their own group offering support to parents who have a child with a disability or additional need.

The meetings will focus on offering support, help and signposting regarding ALL elements on caring for a child; they will be held at ASDA, Donnington, on the first Tuesday of the month and run from 10am – 12noon. This group has been made possible with funding received from the Community Foundation of Shropshire, Fairshare Lottery Scheme.

We welcome any parents, carers, grandparents or relatives who would benefit from a chat and a cuppa and have ideas on how this group can help the people of Donnington.

PODS stands for Parents Opening Doors, a local parents forum, who are affiliated with the National Network of Parent Carer Forums. Our aim is to improve the lives of families who have a disabled child or additional need in the Telford & Wrekin area.

Our specific aims include helping parents understand their child's disability, campaign for change to improve services across the borough relating to the council, health, social care and education and to involve parents in the decision making processes that affect their children.

Supporting Parents Programme

A self-management course for anyone who has care of a child with a long-term health condition, disability or learning difficulty.

The course last for six sessions, each lasting 2 ½ hours including a refreshment break.

Topics covered include:

- Finding time for you
- Coping with difficult emotions
- Transition to adult services
- Sibling issues
- Dealing with family issues & tensions.

NHS

To book a place please call Deborah Hopkins on 580474 or email deborah.hopkins@telfordpct.nhs.uk

Walkabout Wrekin

Walkabout Wrekin is a project run by NHS Telford and Wrekin Community Health Services' Health Improvement Team. There are over 20 free Walkabout Wrekin walks in the Telford and Wrekin area. The walks aim to be a great way to have fun, whilst improving people's fitness. Walkabout Wrekin welcomes new people to come along to the walks and take part.

In celebration of national Volunteers' Week and to honour the dedication and commitment of the walk leaders, who lead the free walks across the Telford and Wrekin area, a special commendation and presentation was made to Mrs Edna Morris, for her nine years long service in leading the weekly Walkabout Wrekin walk at Lilleshall. These walkers meet on weekly on Thursdays at 6pm at The Red House, Wellington Road in Newport. The Lilleshall walk always welcomes new people to turn up on the day and see what Walkabout Wrekin is all about.

All walk leaders are accredited through Natural England's Walking for Health training. For more information on Natural England visit www.wfh.naturalengland.org.uk

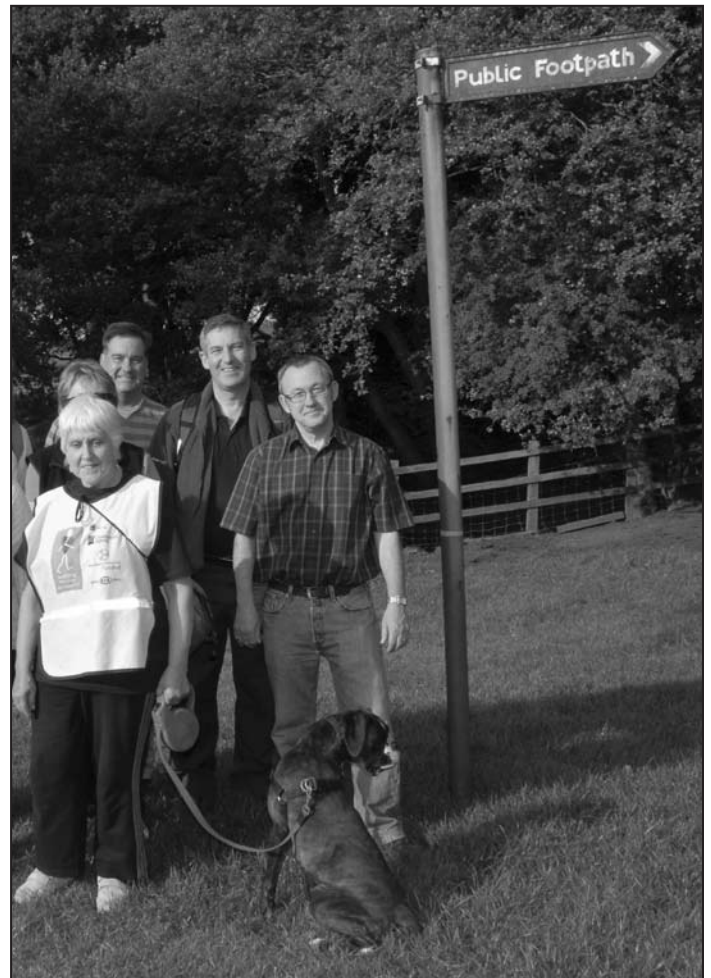

Walkabout Wrekin, is a project run by NHS Telford and Wrekin Community Health Services' Health Improvement Team. There are over 20 free Walkabout Wrekin walks in the Telford and Wrekin area. The walks aim to be a great way to have fun, whilst improving people's fitness. Walkabout Wrekin welcomes new people to come along to the walks and take part.

Jenny Stretton, Shropshire Community Health NHS Trust's Health Promotion Specialist, said: "The project has been running for 10 years, and it is thanks to the wonderful volunteers that it is so successful. Edna established the Lilleshall walks many years ago and continues, with others, to lead and promote them with great enthusiasm."

"Our walk leaders are always welcoming to new people, and are trained to help new beginners through the walks. We are always looking for new volunteers to come forward and lead walks and encourage them to come along to one of our walks and find out more."

For more information on the walks organised by Walkabout Wrekin, to find out about the different gradients and which walks are for certain ability levels, or to train as a Walk Leader, visit www.healthytelford.nhs.uk or call the Health Improvement Team on 01952 217474.

NHS Telford and Wrekin Community Health Services' Health Improvement Team organises a range of free and low cost activities across the Telford and Wrekin area. As well as the normal gym and running sessions, the team organises different activities such as Zumba, walking groups and conservation activities, all aiming to show how regular exercise can improve your health and wellbeing and also be fun. As well as the Walkabout Wrekin project, the Health Improvement Team also runs the Green Gym volunteer environment and conservation programme. Green Gym organises a range of green activities that will benefit the local community, but also be an enjoyable way to do more exercise in the great outdoors. The Green Gym volunteers have recently carried out improvements to the steps and paths in Sutton Woods to benefit all walkers.
